PHBA is an all volunteer youth Baseball/Softball league. To encourage volunteer participation we have our League Assistance Fund Fee (LAFF). At sign-ups all families will be required to pay an LAFF deposit, separate from the annual registration fees. The LAFF deposit is One-Hundred Dollars (\$100.00) per child with a maximum of Two-Hundred Dollars (\$200.00), two children or more. To have your deposit returned you will need to perform one of the League Volunteer Assignments listed below. Be advised that a League Volunteer Assignment is different and separate from any volunteering you do for your team. Your League Volunteer Commitment is Four (4) hours per child; maximum of Eight (8) for two or more children in the league.

LAFF fee will be waived if you bring in a new team sponsor at the Major League level or higher for the 2012 season (i.e., a business or individual who did not sponsor a team during the 2011 season). For details, see the 'Sponsors' section on the PHBA website (www.phba.org).

Here is a list of League Volunteer Assignments that will qualify for a return of LAFF deposit Check:
Pre-Season Field Restoration ~ Manager ~ Coach ~ Umpire ~ Team Coordinator ~ League Picture Day ~ League Opening Day ~ League Registration Day ~ Snack Bar ~ Basket Person (Season Field prep & Scorekeeping up to Mgrs discretion)
You will have a chance to sign-up for any one of these assignments at your team meetings, sometime in late Jan., early February.

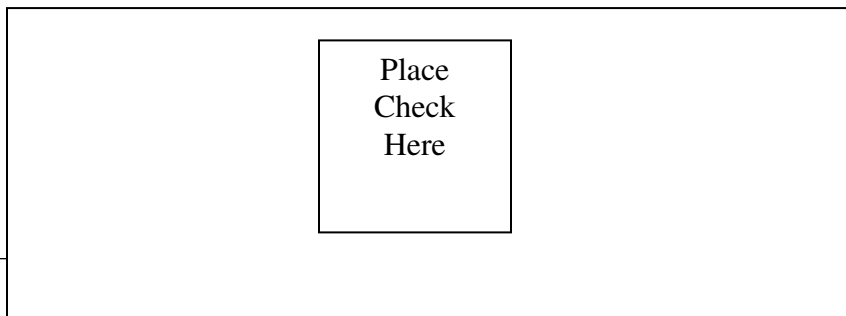

P.H.B.A. will **HOLD** these deposit checks/and or charge the credit card. When your volunteer obligation is completed, you will present a properly signed off LAFF form to Mary Everett or PHBA assigned person and your deposit check will be returned to you. All unclaimed LAFF Checks and Credit Cards will be Cashed on May 1, 2012, "NO EXCEPTIONS". A \$25.00 service fee will be charged to you, if your credit card or check does not go through. All deposits not claimed on May 10, 2012, will be considered League Donations.

Please bring (2) two signed LAFF forms along with (3) three copies of the registration forms to one of the walk-in registration dates.

It takes a lot of people volunteering a lot of time to make PHBA work and be successful, and we would prefer **NOT** to retain any LAFF funds. Your time is more valuable to our players than the money. That said, should you prefer not to volunteer, you may buy out your obligation for Two-Hundred- Dollars (\$200.00) per child, with a maximum of Four-Hundred- (\$400.00), two children or more. Just sign this form and your obligation is completed.
